HOW AND WHEN WE SHIP: All the items listed on this sheet are shipped during planting time only (see catalog, page 2, WHEN TO PLANT), with the exception of fishfood, pool paint and Arquicide.

MINIMUM MAIL ORDER: The smallest order accepted through the mail is \$1.00. This applies to the entire price list.

WE GUARANTEE all plants to be true to name, and we will replace free of charge any plant that fails to grow within 30 days after planting and you notify us during that period of time—the customer shall pay only for transportation charges. The aforesaid applies to annual lilies only if we are allowed to ship after June 1.

WE ARE NOT LIABLE for any claims other than replacements nor are we liable for damage which occurs in transit. If a shipment from us is received in a damaged condition accept it and request a Bad Order Report (form 679) from the Express Agent. Fill out this report and send it to us, and we will replace the damaged goods as quickly as possible. It is absolutely necessary for us to have a properly filled out Bad Order Report if you wish a speedy replacement. On any replacements, the customer must pay the transportation charges. **PLEASE ORDER EARLY**, thereby making it possible for us to give you the best of service.

PLEASE USE THIS ORDER SHEET: We have prepared this order sheet especially for your convenience, and we would appreciate it if you do not use your own stationery except in the case of letter writing. Please use this order sheet only for making out orders; use a separate sheet for all remarks and correspondence. To make out an order simply fill in the quantity in front of the catalog number, total price in dollars and cents at the end of the line, and the total amount in dollars and cents on the line marked Total Amount of Order.

For a description of each item refer to its corresponding number in the catalog.

Only items listed on this order sheet are available notwithstanding catalog.

This price list cancels all previous price lists.

TERMS: Cash with order. Please send Check, Express or Postal Money Order. We are unable to accept C.O.D. orders because of the perishable nature of aquatic plants in transit whereby possible delays in delivery will result in the loss of plants.
